

HELP SAVE OUR ROOF

The members of the New Lynn RSA have a proud tradition of mucking in and supporting their local club. Our first building was a reclaimed Army Recreation Hall, sited not far from our current location.

Members proudly got stuck in and made the re-purposed building a home and from those humble beginnings we finally arrived at our current location.

However, our latest building has some issues and over the years we've battled with an aging roof. It's in desperate need of replacement and in the spirit of community, we're sending out a call for help to our membership.

HOW CAN YOU HELP?

We need your help to sponsor a length of roofing iron for your club.

Sponsors will be acknowledged with your name, or family or business name being displayed on a placque in our foyer.

Turn the page to see how you can be a sponsor from just \$50.

NEW LYNN

Sponsorship Form

We need 2500 metres of roofing iron and we're inviting sponsors to contribute in the amount of \$50 per metre.

Your \$50 sponsorship gets your name (or family or business name) immortalised on a sponsorship placque that will be displayed in the New Lynn RSA Foyer.

Of course, you're welcome to contribute more and your contribution will be acknowledged as being either a Gold, Silver or Bronze sponsorship. Temporary cards will be displayed until the project is complete, then a permanent commemorative board with sponsors names will be produced.
